

Colégio São Marcos – Educação Infantil, Ensino Fundamental e Médio.

Student = _____ no _____ 2º ano

ENGLISH TEST

1- Today is Sunday. Dick is going to the cinema with Doris. He is wearing a new suit and his nicest tie – a present from Doris. He always wears his best clothes on Sundays.

According to the text Dick was wearing his best clothes because

- 01) It was Sunday.
- 02) He and Doris were going to the cinema.
- 04) Doris had given them to him..
- 08) He is very happy.

2- Mary and her sister live here in São Paulo. They are going to spend a weekend on the beach.

According to the text, the two girls will be out of town.

- 01) For seven days;
- 02) For a month;
- 04) Tuesday and Wednesday;
- 08) Saturday and Sunday.

3- There were many students in the room. They were very nervous because of the oral test. Mr. Tracy, a very strict teacher, was going to ask several questions about physics, chemistry and biology. The students:

- a) didn't study for the test;
- b) were going to have an oral test;
- c) were going to ask questions;
- d) were very strict.
- N.d.a

4 -In the text STRICT TEACHER means

- a) que a professora é rigorosa;
- b) a professora é calma ;
- c) que a professora é bonita ;
- d) que a professora é gentil ;
- e) n.d.a

5- The man looked out the window. It was very dark, but it would soon be light. It was almost morning. The street was quiet. A man was sleeping on the sidewalk and a dog was licking his hand. According to the text:

- a)A man was feeding a dog;
- b) It was light outside;
- c) While one man was sleeping, another was awake.
- d) A dog was hungry.
- e) n.d.a

6- Dental floss removes plaque from areas your toothbrush just can't reach. Unremoved plaque can build up between teeth and around the gumline, causing gum irritation and tooth decay. Floss comes in both waxed and unwaxed varieties. Both are effective, but if you have tightly spaced teeth, waxed floss may be easier to use.

Good Housekeeping, November 2012
